Caring for our veterans does not end when the veteran passes. To assure the widow or widower and orphans of our veterans are not left homeless, families are welcomed to the VFW National Home in Eaton Rapids, Michigan. They may live there for up to four years at no cost. Food, health care, and clothing are provided if needed until the family can become self-sufficient. Trained counselors will help the surviving spouse and all members of the family achieve their goals and adjust to life without their loved one.

Life Membership in the National Home is a way that we can help those families survive the tragedy of losing their primary supporter. A Life Membership costs only \$35. This money is placed into an account to accrue interest and is used to pay the operating expenses of the 42 house facility.

If you would like to become a Life Member of the VFW National Home, go to the Auxiliary website at [vfwaux.org](http://vfwaux.org) to find the link to the National Home. At their website under *Get Involved*, life membership applications are available.
